

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

NOTE.—No Appointments made after the 20th of the Month preceding publication can be inserted in the body of the **NAVY LIST** until the following List is published. A list of the Appointments, &c., which have taken place between the 20th and the 23rd ultimo inclusive will be found at page 578.

Officers on the Retired List who have commuted their Retired Pay must send annually between 1st January and 31st March a notification to the Secretary of the Admiralty of their being alive, otherwise their names will be removed from the List.

The EDITOR of the Navy List will be glad to receive any communications in reference to errors in the List, addressed to him at the ADMIRALTY, WHITEHALL, LONDON.

**.* Communications for the Editor of the Navy List, addressed to the Publisher from abroad, should be post paid, in order to ensure attention, but it is more convenient to address to the Editor direct, as above, upon such subjects.*

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.

"Officers incapacitated by illness, &c. after only short service to be granted, instead of temporary half pay as allowed by Order in Council of 4th August 1873, Retired Allowances, by way of Annuity, upon the following conditions, which are the same conditions as those imposed upon Officers by the 151 and 152 Articles of the recent Royal warrant, viz.:—

"An Officer who may become unfit for service in consequence of wounds received in action, or of ill-health contracted in and by the performance of military duty, as certified by a Medical Board, may be granted temporary half pay until he shall recover, and until an opportunity shall occur for his re-employment. Except in the case of wounds received in action, the Officer must, however, have served with a commission in Our Marine Forces for three years, unless he shall have been promoted from the ranks, when one year's service only as a Commissioned Officer shall be required. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"In the case of an Officer placed upon temporary half pay in consequence of injuries caused in and by the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such officer upon permanent half pay, after not less than one year upon temporary half pay. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of 225l. a year at 43 years of age.

"12.—All service for the purposes of gratuity, pension, and retirements to count from the age of 21, except in the case of Officers who entered the service prior to the 1st April 1870, who, under the Order in Council of the 5th February 1872, retain the right of counting time from the age of 18 if appointed before that age, and from the date of their Commission if appointed after 18."

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his involves the loss of previous time of service in that rank; so also, when the sentence of a Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay cases where the same depend upon seniority; and it carries with it the loss of the benefit of service, included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

HALF-PAY.

Admiralty, 14th June 1871.

My Lords are pleased to direct that in future every Officer entitled to Half-pay shall, on application on his part, be placed on the Half-pay List as soon as his full-pay ceases, and his accounts are clear.

Commanding Officers of Her Majesty's Ships are to transmit to the Accountant-General of the Navy and Comptroller of Navy Pay, immediately that either they or any of the Officers under their command, are discharged to Half-pay, one of the returns herein-after specified, and marked respectively "(A) Foreign Service," "(B) Home Service."

The Form already required to be furnished, and specified at page 175 (Appendix) of the Circular (1863) to the Admiralty Instructions, will suffice for officers returning to Half-pay from Foreign Service, amended as per specimen annexed and marked A.

Whenever an Officer is discharged abroad to return to England, who will be entitled to Half-pay on Full-pay after arrival, the Forms headed "(A) Foreign Service," directed to be forwarded to their Lordships, the Commander-in-Chief, and the Accountant-General, are to be handed to him with his pay documents for delivery; but if he will not be entitled to such pay Leave, it will only be necessary to furnish him with the Forms for their Lordships and the Accountant-General. The date of his leaving England, and also the circumstance in which he is returning home, are to be filled in previously; and should he take passage by Ship of War, the date of arrival is to be inserted and certified by the Commanding Officer of the Ship in which he takes passage; should he return to England in any vessel not belonging to the Royal Navy, then the date of arrival is to be inserted and certified by the Commander or owners of such vessel.

The new Form marked "B," for Officers employed on "Home Service," will be immediately supplied to ships on the Home Stations.

Application for payment of Half-pay may be made to Her Majesty's Paymaster-General, at Whitehall (either personally or by letter), so soon as the first monthly or quarterly instalment thereof shall become due after the date of ceasing Full-pay. But in the case of Commanding Officers who are required by the Regulations to render accounts or other documents, this application should not be made until such accounts have been duly rendered and passed in Office.

By command of their Lordships,

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE REGULATIONS.—1879.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, except when the relative rank is dependent on the attainment of seniority or completion of service, in which case it shall take effect from such attainment of seniority or completion of service in the particular rank:—

(For Table, see p. 482.)

Nothing contained in these regulations is to give a claim to any Officer of the Navy to assume command of Her Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of Her Majesty's squadrons or Ships, or of any of the Officers or Men thereunto belonging, unless under special authority from the Government in England for any particular Service. But when Officers of the Navy are employed on shore, on joint service with Her Majesty's Land Forces, their relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except command as aforesaid), and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in India is next below the Commander-in-Chief in India, if not a Member of Council, and irrespective of their relative Military rank.

At Durbars, Processions, and other Public Ceremonies in India, a distinctive place will be assigned to the Senior Naval Officer on the spot in the absence

of the Commander-in-Chief, without reference to relative military rank.

Under the regulations formerly in force, the precedence of the Officer in command of Her Majesty's Forces in any Colony, was dependent on the whether or not he was entitled to address the Government of the Colony in the absence of the Governor. But the alteration of circumstances rendered this arrangement in some cases inconvenient or anomalous, therefore it is Her Majesty's that the following rules be now observed in Colonies in regard to the precedence of Military Naval Officers in command of Her Majesty's Forces.

- The Senior Officer in command of the troops the rank of a General, and the Officer in command of Her Majesty's Naval Forces on the coast of the rank of an Admiral, are to have precedence next after the Governor, their own relative rank being determined by the Queen's Regulations subject.
- The Senior Officer in command of the troops the rank of Colonel or Lieutenant-Colonel the officer in command of Her Majesty's Forces on the Station, if of equivalent rank to have precedence next after the Bishop, Chief Justice, their own relative rank determined by the Queen's Regulations subject.
- If below the rank of Colonel or Lieutenant-Colonel the Senior Officer in command of the troops the Officer in command of Her Majesty's Forces on the Station, are to continue in the same rank, as has heretofore been the case, and the Solicitor-General.

While the Engineer Students are in the building, they are to be under the direction of the Chief Constructor. They will be sent to the Dockyard Schools for such periods, and to such studies as may from time to time be directed by the Chief Constructor; they will also pass a portion of their time in the Drawing Office. Those who obtain First Class Certificates will receive Commissions dated the same day as their appointments. Those who obtain Second Class Certificates will receive Commissions dated six months after the date of their Acting Appointments, and those who obtain Third Class Certificates will receive Commissions dated the day after their discharge from the Royal Naval College. The additional time given for First Class Certificates and Second Class Certificates will reckon in all respects as service as Assistant Engineer. In the event of any Assistant Engineer failing to pass satisfactorily at the examination at Greenwich, his Commission will be suspended for such a period as may be determined by the Admiralty.

Those Assistant Engineers will be selected annually who take the highest place at the Examination at the completion of their course at Greenwich, to undergo a further course of scientific instruction at Greenwich. These two will be allowed to remain on probation at Greenwich, on the completion of which they will be sent to Sea as Assistant Engineers, and after the year's service at Sea, they will be considered eligible to fill vacancies occurring in the Dockyards at the Admiralty.

Those passing the Second and Third Sessions at Greenwich will be attached during the vacations to the 25th June and 1st October to the Dockyards and Reserves, where they will be employed sketching, attending trials of new and repaired

1. Not to be allowed to remain on the Active List of Captains after the age of 60, or after 7 years have elapsed since their service as Captain ended.

2. When promoted to the Active Flag List to be subject to the new Regulations in all respects, except that they will only be entitled, on retirement, to half-pay, according to the terms of the Order in Council of 24th March 1866.

3. Captains now on the Active List, of less than 50 years of age, to be allowed the same option, except that they will in no case be allowed to remain on the Active List after the age of 55.

18. Until the Active Lists of Captains, Commanders, and Lieutenants shall have been reduced to 150, 300, and 600 respectively, only one in every four vacancies caused by retirement, and promotions consequent thereon, to be filled up. Vacancies caused by death to be filled up as they occur.

[See Order in Council, 5th February 1872, 5th August 1875, altering this paragraph.]

19. No further additions to be made to the List of Reserved Flag Officers.

20. The new requirements of service for promotion not to be enforced with regard to Commanders and Lieutenants now on the Active List, who are at the present time qualified by service for promotion under the old Regulations.

21. Such Commanders and Lieutenants now on the Active List, as are not at the present time qualified by service for promotion, will be promoted under the new Regulations.

22. All Commanders and Lieutenants now on the Active List, who may be retired under the provisions of this scheme, to be allowed the option of retiring on the terms of the new Regulations, or on the retired scale provided by Her Majesty's Orders in Council of 1st August 1860, 9th July 1864, and 24th March 1866. In either case, however, they will be retired at the respective ages of 50 and 45, or when they have not served for 5 years, but they will retain their present privilege as to rising in rank.

[See Order in Council of 21st July 1876, as to promotion of Commanders on attaining 15 years' seniority.]

23. The advantages conferred by the Order in Council of 26th June 1867 on some of the reserved Captains (F. G. List) to be extended to all such Captains; these Officers to be placed, according to seniority, as vacancies occur, on the Retired List, under Orders in Council of 24th April 1847, 25th June 1851, and 26th June 1867; and to rise to Flag Rank according to their seniority as Captain.

24. Until the present Active Lists shall have been reduced to the proposed numbers, any Officers may, with their consent, and at Our discretion, be retired: if above 40 years of age, on the terms of the new Regulations, if under 40 years of age, on the active half-pay of their rank. [Extended as regards Lieutenants by Order in Council 20th November 1870.]

All present Rules and Regulations, except in so far as they are expressly altered or limited by these General or Temporary Provisions, shall be deemed to remain in force.

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,

The 4th day of August 1873.

Present:

Her Majesty's most Excellent Majesty in Council.

Whereas this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August 1873, containing the following:—

"That in Your Majesty's Order in Council of 22nd March 1866, governing the promotion and retirement of Officers and others of Your Majesty's Fleet, clause of section two appoints as follows:—

"That Officers retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if they have retired from that rank having served the time to be specified for promotion."

And whereas we are of opinion that this condition be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted:—

"Captains who have been, or who may in future be, retired from the rank under Your Majesty's Order

in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August 1873, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea, such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired."

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"(a.) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro, and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service."

"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunnery Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted:—

"(a.) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship, subject to the following exceptions:—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"2. Three years served either before or after 1st August 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"This shall not apply to any Officer who retired before 1st August 1873.

"3. Service subsequent to 1st August 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall, in such cases as we may direct, count as Service in a Ship of War at sea."

[Under this power Tenders to First Reserve Ships have been allowed to count as service in a ship of War at Sea.]

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL. No. 23.—C.W.

At the Court at Windsor,

The 4th day of December 1873.

Present:

THE QUEEN'S most Excellent Majesty in Council. WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 3rd of December 1873, in the words following, viz:—

"Whereas by clause eight, section one of Your Majesty's Order in Council of 22nd February 1870, it is established that—

"Rear-Admirals shall not be eligible for promotion to the rank of Vice-Admiral on the Active List until they have completed one year's Sea Service, or its equivalent in Harbour Service as Flag Officer; but such officers as arrive at their turn for promotion without having completed the qualifying service, and not having attained the age for retirement, to remain on the Active List until qualified for promotion, or until retired; if promoted, to take rank according to former seniority."

"And whereas Your Majesty's subsequent Order in Council of 5th August 1873, with a view to provide temporarily for a more uniform flow of advancement the ranks of Flag Officer, Captain, Commander, Lieutenant in Your Majesty's Navy, authorised increase, by 10, of the number of Rear-Admirals down in the Order in Council of 22nd February, which increase, in consequence of the limited number of appointments open to that rank, it is rendered possible to provide for every Officer obtaining the necessary qualifying service before he arrives at his promotion;—We do most humbly submit that, to avoid the necessity of passing over Officers in other respects, well qualified for advancement, be empowered to cancel the before-recited clause of Your Majesty's Order in Council of 22nd February as to supplement the powers conferred by the same in Council so far as refers to the compulsory rank of Admirals and Vice-Admirals by the following clause, viz:—

"Flag Officers who have not hoisted the rank as Flag Officers, to be retired at the age of 60."

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

ORDER IN COUNCIL, No. 3.—C.W.

At the Court at Osborne House, Isle of Wight,

The 21st day of July 1874.

Present:

THE QUEEN'S most Excellent Majesty in Council. WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of July 1874, in the words following, viz:—

"Whereas we have had under our consideration the case of the Commanders of Your Majesty's Navy who have been placed on the Retired List of their Rank by Your Majesty's Orders in Council of 22nd February and 4th August 1873, and who, not having the necessary sea service, are not entitled to a step of rank on promotion; and whereas under the provisions of Your Majesty's Order in Council of 5th August 1873, Captains advance one step in rank, according to seniority, after completion of one step in rank, according to seniority, without respect to any qualifying service, we most humbly submit to your Majesty that Commanders who have already been retired, or who may hereafter retire, without having served sufficiently long at sea to qualify for promotion to the rank of Captain, may, at discretion, be allowed to assume the rank of Retired Captain on attaining fifteen years' seniority, but with increase of Retired Pay or Widow's Pension."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

PROMOTION OF FLAG OFFICERS, CAPTAINS, COMMANDERS, AND LIEUTENANTS, AND RETIREMENT OF SUB-LIEUTENANTS.

[These provisions are modified by Order in Council, 4th August 1875.]

At the Court at Osborne House, Isle of Wight,

The 5th day of February 1873.

Present:

THE QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, in the words following, viz:—

"Whereas Your Majesty, by Order in Council of 22nd February 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy: And whereas we are of opinion, in view

of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a larger number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas it is further of opinion that it is expedient to make amendments in the temporary provisions of the Order in Council, and also that it is necessary to establish regulations for the retirement of Sub-Lieutenants.

"We would, therefore, most humbly submit to Your Majesty—

1. That we be empowered to promote ten Commanders to rank of Captains, and ten Lieutenants to the rank of Commanders, from this present date.

2. That until the list of Captains is reduced to one hundred and fifty, we be authorised to promote Officers vacancies caused by retirement, according to the following scale—

(a) One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

(b) One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

(c) One Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

3. That we be further authorised, until the List of Captains is reduced to two hundred, to promote one Commander in every two vacancies now existing, or in arising from the retirement of Commanders.

4. All vacancies arising from deaths, resignations, or filled up as they occur.

5. That until the List of Sub-Lieutenants is reduced to one hundred and fifty, we be authorised to confer promotion on any Sub-Lieutenant who is, in our opinion, fit for advancement, although such promotions may be in excess of the number authorised by Your Majesty's aforesaid Order in Council.

6. Captains who were promoted to that rank before the 1st April 1870, and who elected the new regulations to be allowed, if physically unfit, or if they have not served for seven years, on retirement, or if they have not served pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April 1870.

7. Sub-Lieutenants to be compulsorily retired at the age of thirty, or at any age if physically unfit for service.

8. That the List of Sub-Lieutenants is reduced to two hundred and fifty, any such Officers to be allowed, with our consent, at our discretion, to retire irrespective of rank.

9. Retired Pay to be granted as follows:—After three years' service, $\frac{1}{2}$ p. per diem, an additional $\frac{1}{2}$ p. being granted for each complete year beyond three served as Lieutenant until the maximum is reached, viz., 6s.

10. Officers who in our opinion, are not deserving of retired pay on the above scale, to be granted such rate of pay as we may think fit to award them.

11. Service for retired pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of 22d February 1870, relating to Flag Officers, Commanders, and Lieutenants, time during which a Sub-Lieutenant may be on half-pay after he has served three years in that rank to reckon in the proportion of the Order in Council.

12. That Sub-Lieutenants to be allowed, at their own request with our consent, to commute their retired pay for a gratuity laid down by the Lords Commissioners of Her Majesty's Treasury for administering the Act 1867, cap. 36.

13. The retiring rules as to half-pay to Sub-Lieutenants while on the Active List to remain in force.

14. That we most humbly submit that Your Majesty's Majesty be pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury.

15. That having taken the said Memorial into consideration, we be pleased, by and with the advice of Her Majesty, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of Her Majesty's Treasury are to give the necessary directions herein.

CIRCULAR No. 10.—C.

At the Court at Osborne House, Isle of Wight,

The 5th day of August 1875.

Present :

The QUEEN's most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the third of August, one thousand eight hundred and seventy-five, in the words following, viz.:

"Whereas we have had under our consideration the Memorial of Your Majesty's Orders in Council of twenty-

second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy: And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion: We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

"We would therefore most humbly submit to Your Majesty:—

1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year, so long as a maximum number of sixty-eight Flag Officers be not exceeded:—

"Adjusting the Flag Ranks thus:—

8 Admirals of the Fleet.

10 Admirals.

30 Vice-Admirals.

35 Rear-Admirals.

Total 63.

"Promotions to the List of Admirals to be in the proportion of one or two in vacancies caused by retirement until the number is reduced to ten, and the addition to the list of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty.

2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplementing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and seventy-five Captains be not exceeded; should there be more than fifteen vacancies in any year the excess not to be filled up in that year.

3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz.:

"Admirals and Vice-Admirals . . . 75

"Rear-Admirals . . . 50

"Captains . . . 45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

5. That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service: such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

No. 29.—C.W.

At the Court at Windsor,
The 29th day of November 1870.
Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th of November 1870, in the words following, viz. :—

"Whereas we have had under our consideration the effect of Your Majesty's Orders in Council of 22d February 1870 and 5th February 1872, both as regards the limitation of the number of Lieutenants in Your Majesty's Fleet and the restrictions for the promotion of Officers to that rank, and whereas the Navigating Class of Your Majesty's Fleet is being rapidly reduced on account of the special entries for that class having been for some time past discontinued.

"We are of opinion that it is necessary :—

- "1. To increase the number of Lieutenants for executive duties ;
2. To supplement in addition, but gradually, the List of Lieutenants as substitutes for the Navigating Officers ; and
- "3. To make better provision for the promotion of Sub-Lieutenants.

We do most humbly submit that Your Majesty will be pleased to sanction :—

- "1. That the number of Lieutenants for Executive duties shall be 800.
- "2. That we be authorised to increase that number of Lieutenants gradually to 1,000 in proportion as the numbers on the Lists of Staff Commanders and Navigating Lieutenants fall below the number fixed by Order in Council of 1870, viz. 250, so that eventually the List of Lieutenants shall be 800 for Executive duties and 200 for Navigating duties.
- "3. That we be empowered to promote 75 Sub-Lieutenants during the present year without reference to the number on the Lieutenant's List ; and in each successive year a number that shall not exceed the number that has been added to the List of Sub-Lieutenants in the previous year.
- "4. That we be authorised to continue the retirement of Lieutenants on the terms sanctioned in para. 24, Chapter X. of the Order in Council of 22d February 1870.

"The Lords Commissioners of Your Majesty's Treasury have concurred in these proposals, and we do most humbly submit that Your Majesty will be graciously pleased to sanction the same being carried into effect."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

At the Court at Windsor,

The 24th day of March 1880.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of March 1880, in the words following, viz. :—

"Whereas Your Majesty was graciously pleased by Order in Council of the 22d February 1870, Sec. II. Par. 6, to make the following provision as regards Officers of Your Majesty's Navy accepting the Regulations then established, viz. :—

- "Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear
- "Admiral if before retirement they had served the time to qualify them for promotion,

thus restricting the award of Retired Flag Rank to officers qualified for their Active Flag, and whereas under Your Majesty's subsequent Order in Council of the 5th August 1875 all Captains retired from that rank have become entitled to one step in rank, by seniority, irrespective of service, the distinction between officers

qualified and not qualified for promotion being thereby abolished ; We would humbly represent to Your Majesty that we consider the distinction reasonable, and we are of opinion that it is expedient to grant to Captains qualified for promotion a concession proportional to that conferred by Your Majesty's Order in Council of 5th August 1875 on unqualified officers.

"We would therefore humbly submit that Your Majesty will be pleased to sanction the following provisions, viz. :—

- "1. Captains who have been or may be retired to that rank (unless retired on account of non-service) be allowed to rise to the rank of Vice Admiral on the Retired List if before retirement they had or shall have served the time necessary to qualify a Captain for promotion to the rank of Rear Admiral on the Active List.

"2. Such advancement to be conferred according to seniority, any officer hereby qualified for Vice Admiral rank, and who has been debarred from rising above rank of Rear Admiral by the restrictions of the Order in Council of the 22d February 1870, to date his promotion to Vice Admiral from the day on which he has been promoted had such restrictions not been in operation.

"3. Promotion not to confer claim to increase Retired Pay."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

We submit that the condition of the Order in Council of the 5th of August 1875 to the effect that the increase in number of Commanders over two hundred is to be regarded as of a temporary nature be maintained, that the provisions of the present Order be applied to the promotions bearing date the 31st ultimo.

SERVICE ON COMMITTEES, &c.

At the Court at Windsor

The 18th day of May 1870.

Present:

The QUEEN'S most Excellent Majesty in Council. WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May 1870 in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service, or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment, that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four

vacancies which may be caused by Retirement, or motion consequent on Retirement, until the Lists be reduced to the numbers authorised by Your Majesty above-named Order: in Council, and we would be point out that provision for making such promote the ranks of Captain, Commander, and Lieutenant, contained in the Order of Council of 22nd of February 1870.

"4th. As regards the promotion on Retirement Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 22nd February 1870, that Staff Commanders having served 30 years the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Captain, and that Officers having served 15 years those ranks shall retire with the rank of Commander; and by Your Majesty's Order in Council of 27th July 1864 it is laid down that Paymasters who have completed 30 years' service, including Assistant Master's time, and not more than 4 years as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February 1870 it is provided as to Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain and Retired Commander respectively at the discretion of the Lords Commissioners of the Admiralty: We are of opinion that it will be to the benefit of Your Majesty's Service that similar consideration should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, and that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be given also by qualifications of good and meritorious service. We therefore humbly submit that in future such motions on Retirement be made at our discretion, and beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of the Admiralty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of the Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

Present:

The QUEEN'S most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of March 1880, in the words following, viz.:

"Whereas by Article 237 of the Regulations established under Your Majesty's Order in Council of the

4th of February 1870 for the Government of Your Majesty's Naval Service, it is provided that 'To qualify for a Staff Commander for the rank of Staff Captain, an Officer must receive an appointment as Master Attendant, Assistant Master Attendant, or Queen's Harbour Master, or he must, with 20 years' sea-service as a Commissioned Navigating Officer have performed some specified service, the nature of which is to be mentioned in the 'Gazette'; and whereas the effect of these provisions has been to exclude from advancement to the rank of Staff Captain Officers unable to acquire the above-mentioned qualifications but yet deserving, in our opinion, of such promotion. We would humbly submit to Your Majesty will be graciously pleased to cancel said Article 237 and to substitute the following provisions, viz.:

"To qualify a Staff Commander for the rank of Staff Captain he must receive an appointment as Master, Assistant Master, or Queen's Master, or he must have completed 15 years' service as a commissioned Navigating Officer and have rendered such special services as in the opinion of the Admiralty render him deserving of promotion.

"We would represent to Your Majesty that it is not proposed to increase the number of Staff Captains at present authorized, and that consequently no additional

expenditure beyond that authorized by the Regulations will be incurred by these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Present:

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of January 1871, in the words following, viz:—

"Whereas Your Majesty was pleased, by your Order of the 2nd February, 1870, to establish Regulations for the Retirement of Chaplains, and Chaplains of the Royal Navy; and whereas it is expedient, in the interest of Your Majesty's Service, to allow such Officers to leave Your Majesty at a period earlier than is provided by the Order in Council; And whereas it is expedient that the services of such Officers, for a certain duration, should not be unrecognized; We therefore most humbly submit that Clause 6, paragraph of the said Order in Council be cancelled, and that we be authorized to make the following regulations:—

"1. That any Chaplain who obtains from us permission to accept a living, or desires to retire from Your Majesty's Service, may, provided that he has not less than 10 years' service, be retired with pay on the following scales, viz:—

Under 10 years	3 10	1 10	120	Under 5 years' blind service
With 10 years	4 0	1 10	130	With 5 years' blind service
				With 10 years' blind service
				With 15 years' blind service

Chief and other Gunners, Boatswains, and Carpenters, holding appointments in Her Majesty's Yards, if not entitled to civil superannuation, shall be allowed to count such service as time towards pension, on the above scale.

In the event of the above-mentioned officers having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than 10% a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty gratuities shall be granted under Article 1970 of the Regulations, at the discretion of the Admiralty, instead of the above increase.

Whenever an application for pension on account of age, long service, or disability is made by a Chief or other Gunner, Boatswain, or Carpenter who has received a wound or injury in the service, the Captain will direct the Medical Officer to make a report, which he will forward with the application, for the information of the Admiralty, stating clearly the extent to which the injury affects the applicant, and the degree in which it incapacitates him from contributing towards his own support; if the injury was received before the 30th of August 1870, and no hurt certificate is produced, the

applicant's statement should be supported by any documentary evidence that can be produced.

Special Pensions, or gratuities in excess of the going scale for service may, at the discretion of the Admiralty, be awarded when special services have rendered requiring special reward; and such bonus of pension as the Admiralty may think proper be granted to officers who have been guilty of conduct.

Time during which an officer shall not have obtained a good character in the ships in which he served shall not be allowed to reckon as service for Pension.

Chief and other Gunners, Boatswains, and Carpenters, in such cases as it may be for their advantage to be pensioned on the scale for seamen, their service at above ranks being allowed to reckon as superior time.

Chief Gunners, Chief Boatswains, Chief Carpenters, and Warrant Officers who have been dismissed from Her Majesty's service for what may be considered offences in the case of seamen, may, at the discretion of the Admiralty, be allowed Naval Pensions on the seamen's scale, provided they have twenty years' service, or are from age or other causes unfit for service as seamen in the Navy.

In such cases the time served as Warrant Officers shall be allowed to reckon as superior single petty time under Article 2010.

GOOD SERVICE PENSIONS.

The following are the established Good Service Pensions for Naval and Marine Officers:—

Flag Officers, 10 Pensions of 300*l.* a year each, two of which may be held by Vice-Admirals, and two by Rear-Admirals qualified for promotion.

Colonel Officers	8 " 300 <i>l.</i> "

Lieutenant-Commodore	2 " 150 <i>l.</i> "

These Pensions shall not be held in addition to any Pensions, unless it shall be a Pension conferred for injuries received in the Service.

Captains, Royal Navy, and Colonels and Lieutenants-Colonels, Royal Marines, on the *Active List* shall be eligible for the award of Good Service Pensions; but

Pensions may be granted to Flag Officers on the *Retired List*, Medical Officers, and to General Officers of the Army, whether on the Active, Reserved, or Retired List; provided in the cases of Flag Officers that the Pension be taken place after attaining Flag Rank, and that the retired pay together with the Good Service Pension shall not exceed the half-pay of an Admiral of the Fleet.

Good Service Pensions shall be awarded to Flag Officers who have distinguished service at sea, and in determining the amount, preference shall be given, in cases of equal seniority, to officers who have commanded ships against the enemy.

Colonels and General Officers of Royal Marines in the *Retired List* shall be allowed to retain them until they are retired; but in the case of Flag Officers, if the retired pay and Good Service Pension together exceed the half-pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to the half-pay.

When retired from that rank shall be allowed to retain their Retired Pay together with Good Service Pensions not exceeding 600*l.* a year; but, should the retired pay and Good Service Pension together exceed that sum, they will be retired on 600*l.* a year, and their Good Service Pension.

Captains, Royal Navy, and Colonels and Lieutenants-Colonels, Royal Marines, shall forfeit their Good Service Pensions on promotion to be Flag, or General Officers, on the Active List.

Lieutenant-Colonels and Colonels of Marines to be allowed to receive in Retired Pay together with Good Service Pension a sum not exceeding 600*l.* a year, but should the two together exceed that sum they will be retired on 600*l.* a year relinquishing the Good Service Pension.

Should any Flag Officers holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension; and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

When such employment shall have ceased, the officer shall resume his Good Service Pension, although the List be full, but in such case the next vacancy shall not be filled up.

A Captain shall be allowed to draw his Good Service Pension irrespective of the receipt of Full or Half Pay or Civil Salary.

A Flag Officer shall give up his Good Service Pension if he become Governor of Greenwich Hospital or Naval Aide-de-Camp to Her Majesty.

A Naval Aide-de-Camp to Her Majesty deriving emolument from his office shall not be allowed to hold any Pension, unless it be a pension conferred for wounds or injuries received in the Service.

An Admiral of the Fleet shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An officer promoted to the rank of Admiral of the Fleet on the Retired List under the provisions of the Order in Council of 22nd of February 1870, Section X. para. 7, shall, in consideration of the rank not carrying increase of Retired Pay, be allowed to retain the Good Service Pension, or if not in possession of one shall be eligible for it.

GREENWICH HOSPITAL PENSIONS TO ENGINEER OFFICERS.

N. 22.

At the Court at Windsor,
The 2nd day of March 1881.

Present:

Her Majesty's most Excellent Majesty in Council.
There was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th of January 1881, in the following words:—

Whereas under Your Majesty's Order in Council of 22nd of February 1870 and Article 1087 of the Regulations for the Government of Your Majesty's Naval Service, the following Pensions out of Greenwich Hospital shall be established for retired Engineer Officers of the Navy, viz., for Chief Inspectors and Inspectors of Machinery one Pension of 30*l.* per annum; for Chief Engineers seven Pensions of 50*l.* per annum; and whereas we are of opinion that, in consideration of the action made in 1877 to the Active List of Chief Engineers, and the increased responsibilities devolving upon them, a larger number of pensions should be awarded to officers of this class.

"We beg to recommend that Your Majesty will be pleased by Your Order in Council to empower us to award Greenwich Hospital Pensions to retired Engineer Officers as follows:

"To Chief Inspectors and Inspectors of Machinery, one additional Pension of 30*l.*, making in all 2 pensions of 30*l.*

"Chief Engineers, 7 additional Pensions of 50*l.*, making in all 14 Pensions of 50*l.*

"And that when the retired list of these officers shall have reached a further point of increase, to be hereafter determined by us, a further pension of 50*l.* be awarded to retired Chief Engineers, making in all fifteen such Pensions."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Such Officers to receive Retired Pay as follows:

On the 12s. 6d. Half-pay List when re-	18s. per diem.

The new system of retirement to be extended to Captains who may have attained the age of 55, provided they are willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause until he has been five years on that List.

Captains who shall be found physically unfit for service, at the discretion of the Board of Admiralty, be retired, irrespective of age, at the several rates of 12s. 6d. a day, according to their standing on the Active List; or, if they shall have served at sea in the ranks of Lieutenant, Commander, or Captain a combined period of fifteen years; and, if less than that period of time, at the rate of 16s. a day. Such Officers to be placed in rank and pay with other Captains of the same standing, subject to the proviso contained in paragraph 8.

A limited number of Captains who may have attained the age of 60, and who are not desirous of further employment, may be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. 8. No Officer who was not on the Active List of Captains previously to the 1st of August 1860 to be allowed more than the pay of 30s. a day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July 1864. 8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having ten complete years' seniority as Commissioned Officers, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer had five years' seniority, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The Widows of Chief and other Gunners, Boatswains, and Carpenters, are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time, immediately before confirmation, included) and provided they shall have been confirmed in the rank of Warrant Officer.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible.

11. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

12. In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage, either before or after the 31st December, 1830, with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible, whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall, in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations,—notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated,—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form given or a Decree of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank of their husbands at the date when they were last on the Active List, except in the case of Retired Captains advanced to the rank of Flag Officers, whose Widows are pensioned as the Widows of Flag Officers.

16. *Widows of Marine Officers.*—The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such

qualifying period; and if under this rule the list still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held the Honorary Rank on the Active List shall be entitled to the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer last on the Active List.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in the Regulations as may be slain in the Queen's Service, in fighting enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disorders on shore or afloat; and persons dying of their wounds within six months shall be considered as persons killed in action.

1. To a Widow, a Gratuity equal to a year's Pay of the rank which her husband held at the time of his death.

2. To each Orphan (who shall not be married, or of the age of twenty-one at the time of the father's death) one-third of the Gratuity to the Widow; provided children shall be considered as orphans.

In the calculation of these Gratuities, the Command Money and other Full-Pay allowances, and Table Money, shall be included.

18. In the case of an Officer killed in action, or from wounds received in action while on duty, and not leaving a Widow, but leaving a Daughter only, an annual Allowance, equal to the ordinary rate of Widows' Pension may, under special circumstances, be granted, instead of the ordinary Allowance, to such Daughter or Daughters only. Such Allowances may be continued until the death of the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be in the Subordinate Officers in the Navy), and that their circumstances, and those of their family, are such as to limit that they actually require assistance from the Compassionate Fund.

20. The claims of the Children will be considered according to the length, nature, and merit of the service performed by the Father; and as far as the claims upon claims can be governed by Regulation, according to the following order, viz.:

- 1st. Children of Officers killed or drowned in action.
- 2nd. Children of Officers dying from illness contracted in the Service.
- 3rd. Orphans having neither Father nor Mother.
- 4th. Children of Officers dying on Foreign Service.
- 5th. Children of Officers dying on Full-Pay.
- 6th. Children of Officers dying on Half-Pay, or on the Reserved and Retired Lists.

21. The Allowances granted to the Sons of Officers may be continued until they attain the Age of Eighteen, or be otherwise previously provided for; and the Daughters may be continued until they marry, or attain the Age of Twenty-one, whichever shall first occur, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are, from any mental or bodily infirmity, rendering them incapable of making any exertion for their own support, and that they are still in distressed circumstances.

22. Children who are being educated at the Royal Greenwich Hospital may be granted the same Compassionate Allowances applicable to their rank, provided real poverty is proved to exist.

Compassionate Allowances may be drawn by the Children serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither the Children nor their mothers have any private income.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose private income have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances.

In the event of a Widow re-marrying, her Children in their first marriage are still eligible for Compassionate Grants, provided they are otherwise qualified to do them.

Compassionate Allowances are granted for the year ending 1st January, but are not payable till after the 1st April.

Widows who were born after their Fathers completed their Retired Pay, are not eligible to be placed on the Compassionate List.

The aggregate amount of the Allowances to the Widow of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Standing at the time of his death. In the case of an Officer whose services were valuable to the Service, the aggregate amount of Allowances to his Family shall not exceed 100*l*. a year, or the amount of the Half-Pay of his Rank and Standing at the time of his death.

When an Officer is killed in action, or dies on duty, or dies of wounds or injuries sustained within six months after being injured, his Widow nor legitimate child, but leaves a child who is a Widow in distressed circumstances, and is dependent upon him, the Mother shall receive a Pension at the ordinary rate of Widow's Pension, but not to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. *Sisters*.—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within six months after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no ordinary rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

No man can receive two pensions at the same time, except in the case of Naval and Greenwich Hospital Pensions.

All Pensions are granted during good behaviour, and may be forfeited by misconduct on the part of the pensioner, to be judged of by the Admiralty.

All pensioners (not discharged as wholly incapable) under 55 years of age may be called on to serve in time of war or emergency.

Men are not allowed their Pensions for any time during which they reside out of Her Majesty's dominions, except with the special permission of the Admiralty.

 to direct that Officers are not to constitute themselves
 judges of their own claims to Freight, nor deduct from
 Treasure belonging to the State such sums as they con-

 Freight on Public Treasure be submitted in the usual
 manner to the Lords of the Treasury for such orders as
 may appear to them to be required.

And with reference to the Circular Order of 4th June

 board Her Majesty's Ships for *Custody only*, as if such
 deposit were a conveyance from one place to another

GREENWICH HOSPITAL PROPORTION OF FREIGHTAGE FOR THE CONVEYANCE OF TREASURE IN H.M. SHIPS.

1. The returns of Freightage, hitherto sent by the
 Commanding Officers of H.M. Ships to Greenwich
 Hospital, are to be forwarded to the Accountant-
 General of the Navy instead of to the Treasurer of
 Greenwich Hospital, as directed by the Proclamation,
 dated 15th July 1819.

2. The half-yearly returns from the Commanders-in-
 Chief are to be sent, as heretofore, to the Secretary of
 the Admiralty, to be forwarded to the Accountant-
 General of the Navy.

3. The Commanding Officers of H.M. Ships upon the
 receipt of the Freightage on the Treasure conveyed, are
 to pay the proportion due to Greenwich Hospital to the
 Paymasters of their respective ships, who are to debit
 themselves in their Public Cash Accounts under the
 head of "Freightage on Treasure due to Greenwich
 Hospital," treating the same as part of their public cash,
 available for their contingent payments, and trans-
 mitting vouchers with their cash accounts, descriptive of
 the sums received, in order that these transactions may
 be duly examined in the Department of the Accountant-
 General, and the amounts paid over to the credit of the
 "Greenwich Hospital Income Account."

4. The Correspondence on the subject of "Freightage
 due to Greenwich Hospital" should be addressed to the
 Accountant-General of the Navy.

ENTRY AND DISCHARGE OF PETTY OFFICERS, SEAMEN AND MARINES.

EXAMINATION OF SECOND CLASS BOYS ON ENTERING THE NAVY.

Second Class Boys are only to be finally entered in the United Kingdom and by the following Officers, viz. :—

- Commanding Officers of Training Ships.
- Captains of all District Ships.
- Commanders of Drill Ships.
- Captains of the Flag Ships at Sheerness and Queens-town.

Every Boy proposed to be entered must satisfy the Examining Officers—

I. That he is of robust frame, intelligent, of perfectly sound and healthy constitution, free from any physical defects or malformation, and not subject to fits.

II. That he is able to read and write. The lowest test by which a Boy should be entered is to be able to read a passage of two ordinary lines of one syllable, and sign his name legibly.

III. That he is between the ages of 15 and 16½ years.

IV. That his height and measure are sufficient, the rules being as follows :—

	Height (without shoes).	Measurement round the Chest.

The Medical Examination is, in all cases, to be conducted as laid down in the Regulations.

If the Examining Officers are of opinion that the Boy is in every respect fit for the Service, the engagement to serve continuously in Her Majesty's Navy until he has completed 10 Years' Service from the age of 18 is to be read and explained to him, and if he voluntarily agrees

to its terms, he is then, in the presence of a witness, to sign his engagement, and to be entered on the books of the Ship.

The Examining Officers will also fill up the and Certificate attached to the engagement, and sign the same, and will transmit the document to the Accountant-General of the Navy.

A Brigade will be designated by a local name, in addition to its number in the Force.

A Battery will be designated by its number in the Corps.

Each Corps will bear a local name only.

The following table contains the authorised establishments of the Brigades and the Batteries composing them:—

Persons wishing to form a Corps to form part of a Battalion of Royal Naval Artillery Volunteers should communicate in communication with the Secretary to the Admiralty.

The formation of a new Corps will not be sanctioned unless a sufficient number of persons to form a Battery are prepared to enroll themselves, and whilst any such already existing in the locality is below its complement.

In offering the services of a new Corps for acceptance, it should be stated:—

- The place proposed for its head-quarters.
- The number of persons who are prepared to enrol themselves.
- The name and address of some person with whom communications on the subject may be made.
- The Brigade of which it will form a part.
- That a proper place will be secured for the safe custody of any Government arms and ammunition which may be issued.

The "Royal Naval Artillery Volunteer Force" takes precedence immediately after the "Royal Naval Volunteers," established by the Act of 1859.

Officers of the Royal Naval Artillery Volunteers rank with, but after, Officers of the Royal Navy and Royal Naval Reserve of their respective ranks.

All Officers of the Royal Navy Artillery Volunteers will be commissioned by the Admiralty.

The Commanding Officers of Brigades will recommend, for the consideration of the Admiralty, names of persons for the appointments and promotion of officers in their Brigades.

In order to enable the Admiralty to judge the qualifications of the persons recommended, the Commanding Officer will forward, with his recommendation, a statement giving the name, age, residence, place of education, and occupation or profession of the Candidate as well as a Medical Officer's Certificate, stating that the Candidate is in good health, and fit to perform the duties of an Officer.

If any person recommended for an appointment as an Officer holds a commission in the Royal Navy or other Force, the nature of such commission should be stated in the letter of recommendation.

Officers on Full Pay in the Navy or Army are not eligible for other than honorary commissions.

The appointment of an Honorary Commander to a Brigade is allowed, and such Honorary Lieutenants and Honorary Sub-Lieutenants as the Admiralty may think fit to sanction.

The appointments of an Honorary Chaplain and Staff Surgeon to a Brigade are allowed at the discretion of the Admiralty.

The appointments of all Honorary Officers will cease whenever the Force is called out for actual service, unless the Admiralty shall see fit to accept the services of any such Officers who may volunteer for active service.

Every Officer is required to possess a competent knowledge of his duties, and to give a proper attendance at the drills of his Corps.

No person below the age of 17 is to be enrolled in the Corps without the special authority of the Admiralty.

Boys of 14 years of age and upwards may be enrolled for the purpose of being trained as Buglers.

The course to be adopted as to the Discipline of the Volunteers will be found in Part III. of the Naval Artillery Volunteers Act.

Officers and men of the Royal Naval Artillery Volunteers, when in uniform, are to pay the customary marks of respect to such Officers of the Navy, Army, and Auxiliary Forces as are entitled to be saluted by Officers and men of corresponding rank in their own Service.

When Royal Naval Artillery Volunteers are assembled with the Regular Forces of the Army in Camp or for Training, they will be under the "Naval Discipline Act, 1866," in the same manner as if they were on actual service, and will be placed under the immediate command of an Officer of Her Majesty's Navy.

Camp rules will apply in all respects to the Royal Naval Artillery Volunteers.

The Naval Volunteers must perform the Camp duties of fatigue, cooking, &c.

The drills of the Royal Naval Artillery Volunteers will comprise the drills for Great Guns, Rifle, Pistol, and Cutlass, as in the Royal Navy, and no deviation from those drills is to be permitted.

A Badge of Efficiency will be worn by men who were returned as "Efficient" in the last Annual Return of the Brigade.

ment, previously to taking Her Majesty's pleasure thereon, in order to ascertain whether there be objection to Her Majesty's permission being granted.

Similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure in such application, and shall have obtained Her Majesty's permission for the person in whose favour it is made to accept the Foreign Order, and wear it thereon, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant under Clause I to be prepared for the Royal Signature.

Every Warrant shall have been signed by the Commander-in-Chief thereof shall be inserted in the Gazette, stating the service for which the Foreign Order is conferred.

The Warrant signifying Her Majesty's permission, at the request and at the expense of the person in whose favour it is granted, shall be registered in the College of Arms.

Every such Warrant as aforesaid shall contain a proviso that Her Majesty's license and permission do not authorize the assumption of any style, title, rank, precedence, or privilege appertaining to any Order of Her Majesty's Realms.

When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be entitled to accept the Decoration of a higher order, to which he may have become entitled by reason of rank in the Foreign Service, or in his own country; or any other distinctive decoration strictly consequent upon the acceptance of a Foreign Order, and common to every person who has received such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 1 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, May 10th, 1855.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services should be addressed, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction: upon obtaining which they may grant such permission without any other formality.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or Sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, Jan. 1870.

CLARENDON.

THE VICTORIA CROSS.

ARTICLE I.

WE, taking into Our Royal consideration that one of the means of adequately rewarding the individual services either of Officers of the lower ranks of the Army and Military Service, or of Warrant Officers, Seamen, and Marines, in Our Navy, and of Warrant Officers and Soldiers in Our Army, and the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to higher ranks of both Services, and the fact that medals, both in Our Navy and Army, are only bestowed for long service or meritorious conduct, rather than for any action or distinction before an enemy, and that some exceptions where a general medal is bestowed for particular action or campaign, or a clasp is bestowed for some especial engagement, in both the Army and Navy, are equally in the boon, and those distinctions have particularly signified themselves as being distinguished from their comrades.

It is the purpose of attaining an end so desirable as to reward individual instances of merit and to have instituted and created, and by these means, Our Heirs and Successors, institute and bestow Naval and Military Decorations, which We should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and We are graciously pleased to make, ordain, and enact the following rules and ordinances for the better of the same, which shall from henceforth be observed and kept:

It is ordained, that the distinction should be conferred on the "Victoria Cross," and shall be bestowed on the Cross of Bronze, with our Royal Crest inscribed thereon, and underneath which an escroll bearing the motto "FOR VALOUR."

It is ordained, that the Cross shall be suspended from the left breast by a blue ribbon for the Navy, and a red ribbon for the Army.

It is ordained, that the names of those upon whom it may be pleased to confer the Decoration shall be entered in the "London Gazette," and a registry of the same in the office of Our Secretary of State for

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the ribbon by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military Forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel, to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act

as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty

Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decorations as the acts were done under his own eye.

Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Baration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officer or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honorable distinction, it is ordained, that if any person to whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not within a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the list; and the list of individuals upon whom the said Decorations shall have been conferred by an especial Warrant and Our Royal Sign Manual, and the Pension conferred and rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twentieth day of January, in the nineteenth year of Our said Majesty, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,
PATRICIA

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross: And whereas the description of such qualification in our warrant of 29th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 29th January 1856 shall be read and interpreted accordingly.

It is Our further will and pleasure that officers in men of our auxiliary and reserve forces (Naval or Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant as amended by this Our warrant.

Given at Our Court at Osborne, this 28th day of April 1881, in the 44th year of Our said Majesty.

By Her Majesty's command,
HUGH C. E. CHILVER

THE ALBERT MEDAL.

WARRANT extending the two Decorations styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in saving life on land.

VICTORIA R.

Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

Whereas a Warrant was given under Our Royal Sign Manual, bearing date the 7th March 1866, in the 29th year of Our reign, "instituting a new decoration to be called 'The Albert Medal,'" and such Warrant was in the words following, that is to say:—

VICTORIA R.

Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

"Whereas We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwreck and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and save the lives of those who are in danger of perishing from wrecks and perils of the sea; and taking into consideration the expediency of distinguishing persons by some mark of Our Royal favour:

"And for the purpose of attaining an end so desirable and regarding such actions as aforesaid, We have decreed and created, and by these presents for Us, Our heirs and successors, institute and create, a new Decoration which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to ordain, and establish the following rules and Ordinances for the government of the same, which shall henceforth be inviolably observed and kept.

"First.—It is ordained that the distinction shall be called 'The Albert Medal,' and shall consist of a gold oval-shaped badge or decoration enamelled in dark blue, with a Monogram composed of the letters V. and A., encircled with an Anchor erect in gold, surrounded with letters in bronze, inscribed in raised letters of gold 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the late Prince Consort, and suspended from a ribbon of five-eighths of an inch in width with four white longitudinal stripes.

"Secondly.—It is ordained, that the Medal shall be suspended from the left breast.

"Thirdly.—It is ordained, that the names of those to whom We may be pleased to confer the Decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received the Medal, again performs an act which, had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar added to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medal shall only be awarded to those, who, after the date of this instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honorable Distinction, it is ordained, that if any person to whom such Distinction is conferred be guilty of any act of disgraceful conduct which in Our judgment qualifies him for the said Decoration, his name shall be removed from the registry of Individuals to whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign

Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given, shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867, in the 30th year of Our reign, intituled a Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled "The Albert Medal," and instituting in lieu thereof two new Decorations, to be styled respectively "The Albert Medal of the First Class," and "The Albert Medal of the Second Class:"

And whereas the Warrant of the 12th day of April 1867, after reciting the said Warrant of the 7th day of March 1866, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into Our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled 'The Albert Medal of the First Class,' and shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the late Prince Consort, and suspended from a dark blue ribbon of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled 'The Albert Medal of the Second Class,' and shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained, that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1866, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that the 'The Albert Medal of the First Class' shall be confined to cases of extreme and heroic daring, and that 'The Albert Medal of the Second

Class should be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*."

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore:—

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts as graciously pleased to extend the two Decorations styled respectively *"The Albert Medal of the First Class"* and *"The Albert Medal of the Second Class"* to cases of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and establish the following Rules and Ordinances which shall from henceforth be inviolably observed and kept.

First.—It is ordained that *"The Albert Medal of the First Class,"* when conferred for Gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letter V. and A., erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, *"For Gallantry in Saving Life on Land,"* and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that *"The Albert Medal of the Second Class,"* when conferred for Gallantry in saving life on land, shall consist of the like badge, save and except that it shall be entirely worked in bronze instead of gold and bronze, and shall be suspended from a crimson riband of five-eighths of an inch in width, with two white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the *"London Gazette,"* and a register thereof kept in the Office of one of Our Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall only be awarded to those who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other peril within Our dominions, other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by the First Lord of Our Treasury.

Seventhly.—It is ordained that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

Eighthly.—In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that, if any person on either of such Decorations is conferred be guilty of crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall be erased from the register of those upon whom the said Decoration shall have been conferred, and the said Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

Given at Our Court at St. James, this Thirtieth day of April, One thousand eight hundred and eighty-seven, in the Fortieth year of Our reign.

By Her Majesty's Command,

(Signed) RICHD. ASSANTO CLERK

FLEET CIRCULAR No. 12.—C.

Admiralty, 2nd April 1890

GOOD CONDUCT MEDALS AND GRATUITIES

With reference to Articles 676 and 1,137 of the Queen's Regulations and Admiralty Instructions, defining the qualifications for which the character of Exemplary should be awarded, my Lords have received representations from Captains of Her Majesty's ships relative to the difficulty they experience in awarding this character, which by the present regulations is confined to men whose "conduct, as respects the general manner of deporting themselves and in discharging their various duties have been such as to fully warrant their being held up as examples worthy of imitation."

1. My Lords, having given the subject much consideration, do not see any sufficient reason for discontinuing the use of the word Exemplary for the purpose of describing the conduct of men who, in addition to having earned the character of Very Good, have deported themselves as to be considered, both on account of their conduct and the manner in which they have performed their duties, as examples worthy of imitation.

3. My Lords have, however, determined that for the future the grant of the Good Conduct Medal and the gratuity shall no longer be conditional on the award of the character of Exemplary, and that a continuous character of Very Good shall henceforth be considered as rendering a man eligible for Medal and Gratuity. The character of Very Good must therefore be awarded with greater care and discrimination than has hitherto been the case.

4. On a man being sentenced to punishment by the Martial, or summarily awarded—
Corporal Punishment.
Imprisonment; if by Civil Power see Article 1 Addenda 1890.

Disarming or reduction to a lower rating or rank.
Deprivation of Good Conduct Medal or Badge.
Confinement in Cells, or

Reduction to below the Privilege Leave List, his character will, under the accompanying regulations be necessarily recorded below Very Good, and thereby the required continuity of Very Good for Medal and Gratuity purposes will always in such cases be broken.

5. Ten years of continuous Very Good character will render a man eligible for a Medal, and fifteen years continuous Very Good character for a Gratuity provided in each case he has been recommended for the same three years, subject to the provisions of the revised amended Articles 676, 728, and 1,137, of the Queen's Regulations, 1879.

6. To entitle a Man to the Medal:—
(a.) He must have been recommended for it by Certificate for three consecutive years.

- (1) He must be recommended for it by the Captain under whom he is serving, when he becomes eligible and has fulfilled the required conditions of service.
2. To entitle a Man to the Gratuity:—
 - (a) He must have been awarded the Medal and have never forfeited it;
 - (b) He must have been recommended for it on his Certificate for three last consecutive years;
 - (c) He must, subsequently to his receiving the medal and until pensioned, have always been awarded a character of "Very Good" or "Exemplary."
 - (d) He must be recommended for it by the Captain under whom he is serving when his Pension is applied for.
3. In order to carry out this arrangement it will be necessary that the additional words "Medal recommended," or "Gratuity recommended," should be entered on the men's certificates accordingly, whenever the characters are required to be recorded on them; the additional words are also to be noted in the Letter and in the Service and Conduct Book.
4. In noting recommendations for Medals and Gratuity on the Certificates, it is to be understood that the fact of men being eligible by previous notations on their certificates does not make it imperative for Commanders to recommend them. Invariable Very Good Conduct and the satisfactory manner in which their duty is performed are to be the only guide.
5. Exemplary will for Medal and Gratuity purposes be equivalent to Very Good.
6. If a change is made in the Regulations reserving to the Admiralty the right of dealing exceptionally with the cases of men who have distinguished themselves in action or otherwise, or of men who have been of continuous Very Good character.
7. The changes indicated above are applicable to the Fleet Command and also to the Royal Marines Ashore and Afloat.
8. The enclosed amended Articles 676, 723, and 1,137 are to be substituted for the present Articles which are to be cancelled in the Queen's Regulations, 1879, and which are to be considered as cancelled when these rules come into operation, as is also clause 9 of Article 11.
9. Time served by men who, after completing time for pension, re-engage under the provisions of Article 18 of the Appendix, 1880, will reckon for the Medal and Gratuity, but the award of the Medal after the completion of such time will not count towards increase of Pension.

TEMPORARY PROVISION.

10. Awards of character under the existing Regulations are to be made to the 30th June next, inclusive, and to character of Very Good awarded between 1st July 1879 and that date is to be considered as valid for Medal and Gratuity purposes.

By Command of their Lordships,
ROBERT HALL.

In the respective Commanders-in-Chief, &c.

GOOD CONDUCT MEDALS AND GRATUITIES.—SEAMEN.

978. Men holding any of the ratings specified in Section G. of Appendix V.I., page 680, of the Queen's Regulations, 1879, may, under the following rules and till they are pensioned, be recommended, if of Very Good character, for the Good Conduct Medal and Gratuity, as also may Pensioners who return to the ship within five years of their being pensioned, but not the Medal only. The awards will be made irrespective of the complement, it being intended that nothing but a man's own misconduct shall be a bar to his obtaining the distinguishing marks of the approbation of the Admiralty, should he serve sufficiently long.
1. If recommended by the Captain under whom he is serving at the time, 10 years of continuous Very Good character, under Art. 723 as amended, will entitle a man to the Medal, and if recommended by the Captain under whom he is serving when his pension is applied for, 15 years of continuous Very Good character will entitle him to a Gratuity, subject, however, to all the following provisions, and provided the man had never been

awarded a character below Very Good, except for a period not exceeding one year in his first five years of time reckoning for Pension.

3. After a man has been awarded seven years of such continuous Very Good character as will under these Regulations count towards the Medal, the Captain will, if the man continues to be Very Good, and he considers him deserving thereof from his invariable Very Good Conduct and Exemplary manner of performing his duties, add to the character of Very Good given on his certificate, whenever he is required to record it, the words "Medal recommended," and after 15 years of such Very Good character, the Captain will in like manner add the words "Gratuity recommended."

4. No man is entitled to the Medal unless

- (a.) he has been recommended for it on his certificate for three consecutive years,
- (b.) he is recommended for it by the Captain under whom he is serving when he becomes eligible.
5. No man is entitled to a gratuity unless
- (a.) he has been awarded the Medal and has never forfeited it,
- (b.) he has been recommended for the Gratuity for three consecutive years,
- (c.) he has been continuously awarded a character above Good since he received the Medal until he is pensioned,
- (d.) he is recommended for it by the Captain under whom he is serving when his pension is applied for.

6. Exemplary is in all cases to be considered as equivalent to Very Good for Medal and Gratuity purposes.

7. Whenever the Captain sees fit to withhold the required recommendations he will record fully his reasons in the Service and Conduct Book.

8. Time only which reckons for Pension under Art. 2,006 is to be allowed for Medal, that is, from the age of 18 for continuous service men, and from the age of 20 for non-continuous service men, and the character given before attaining such ages respectively has no effect on a claim to Medal and Gratuity.

9. A break in service caused by a man being invalided will not be considered as breaking the continuity of his Very Good character, or of recommendations for Medal or Gratuity, provided he rejoins as soon as the state of his health will admit and completes the required service.

10. Desertion, reduction to the second class for conduct, imprisonment, or the award of character less than Good after attaining the age of 18 if a C.S. man or of 20, if a non C.S. man, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 11, 12, and 13.

11. Imprisonment by the Civil Power shall not prejudice a man's claim to the Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or, if abroad, by the Commander-in-Chief.

12. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for pension, but who may have since become a Very Good character, the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any man who can show 15 years of continuous Very Good character, notwithstanding anything he may have done, or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.

13. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; but in such case no Gratuity will be awarded.

14. The scale for Gratuities shall be as follows:—

Chief Petty Officers, having served as Chief and First Class Petty Officers for not less than 10 years	20
First Class Petty Officers, having served as such for not less than 10 years	15
Second Class Petty Officers, having served as such for not less than seven years	10
Leading Seamen, having served as such for not less than five years	7
Able Seamen, and others	5

Gratuities will not be given to men who serve after being pensioned.

15. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award to him.

16. Lists of men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the form prescribed for the purpose, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the District Captains of Coast Guard, as soon as the men become eligible for them, and when the approval of the Admiralty has been received, the Medals and Gratuities are, when possible, to be presented before the Ship's Company by the Captain of the ship. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the copies of certificate sent into Office.

17. If, pending the presentation of the Medal, the man's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

18. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalidated; and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of man's service, in which case he may retain it.

19. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

20. In the case of a man who has joined from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army service, subject, however to the rules as to 10 consecutive years of Very Good or Exemplary character.

21. The Good Conduct Medal of a Petty Officer or Seaman which has been forfeited for misconduct may, with the sanction of the Admiralty, be restored on the completion of his time for pension, provided his character during the last five years of his service has been Very Good.

22. In regard to men in the Service before the 1st of July 1876, previous Very Good character will be allowed to reckon for Medal and Gratuity, provided their conduct had been such as to render them deserving thereof under the foregoing Regulations.

23. Between the 1st of July 1876 and 30th June 1880 inclusive, Exemplary character only will reckon towards Medals and Gratuities and not Very Good.

24. These Regulations apply to the Coast Guard Afloat and on Shore.

XVII. CERTIFICATES.—SHIPS' COMPANY.

723. A Parchment Certificate in the established form is to be prepared for every man and boy on first entry. Special inquiry is always to be made on a volunteer offering himself for entry, as to whether he had ever been in the Service; and if so, and he fails to produce his Certificate, on no account is a fresh one to be prepared for him until application has been made to the Accountant-General on the established Form, and the Form, with the required particulars, returned to the Captain.

2. On first entry the religious denomination of every man or boy is to be noted on his Parchment Certificate, and it is also to be recorded in the Service and Conduct Book of each ship in which he may serve; in the event of any man of good character representing himself as having become a member of a religious denomination other than that under which he had been entered, and is anxious to have the record altered accordingly, the Captain may permit the change to be made.

3. The Parchment Certificates are from time to time to be very carefully filled up and signed as required by Clause 7 and by the Form. When awarding the character of a man, the Captain will take to his assistance the Executive Officer and the Officer of the man's division, or the Marine Officer, as the case may be, and

fully consider all the entries against him in the Service and Conduct Book, so that this duty, so important both to the man and to the Service, may be performed justly and with proper deliberation.

4. Characters are to be recorded as—

- a. Exemplary:
- b. Very good:
- c. Good:
- d. Fair, or passable:
- e. Indifferent:
- f. Bad.

5. "Exemplary" is to be entirely exceptional, and is only to be awarded to men who have during the period but without regard to their former history, so depict themselves as to be considered, both on account of their excellent conduct and the manner in which they have performed their duties, as examples worthy of imitation, and to be held up as a pattern to the Service.

6. "Very good" must be awarded with great care and discrimination, and it is not to be given merely because a man has kept clear of the delinquencies and escaped punishment. As it is now to take the place of "Exemplary" for the award of Medals and Gratuities, the greatest care must be taken in appointing the character.

7. On a man being punished by sentence of Court martial or summarily awarded—

- a. Corporal punishment:
- b. Imprisonment:
- c. Disrating or reduction:
- d. Deprivation of Good Conduct Medal or Badge:
- e. Reduction to the Second Class for Conduct:
- f. Reduction to a lower class for leave than the privilege leave list; or if he commits any offence which he was otherwise punished and which reduces his character below Very Good, his actual character since it was last recorded to the date of the offence, which he is punished was committed is to be recorded on his Certificate and in the Ledger and the Service and Conduct Book; for the intervening period to the date when the punishment took place or commenced his character is to be awarded as his offence may have deserved, but it is never to be above Good for the period, and from thenceforward his actual character is to be again recorded at the proper periods.

8. Special mention is to be made of any particularly meritorious conduct, both in the Certificate and in the Service and Conduct Book and Ledger.

9. The character of every man and boy is to be recorded upon his Certificate by the Captain in his own handwriting, with his initials, on the 31st instant of each year, and under his signature on the final charge of the man or boy from the ship, as well as on all other occasions when specially required. Where from the length of time the ship is in commission, from other causes, the form requires it, a fresh one to be commenced on the certificate, and the necessary additions made.

10. The conduct of each man or boy borne as a Supernumerary for more than three months is to be noted in red ink on his certificate, but if so borne for less than three months his conduct is to be noted on the Transfer List, as a guide to the award of character Certificate at the proper time.

11. When men borne for less than three months on passage, or when Supernumeraries are absent on leave, or for other valid causes, notations, such as Passage only and Time only, are to be made on the Certificates when the character is not required to be recorded thereon, and if it follows Very Good or Exemplary, such time will be considered as Very Good or Exemplary accordingly, as the case may be, in the absence of any notation to the contrary, and recommendations for Medal or Gratuity will in like manner be regarded as continuous in such cases. The same principle will also apply in all other cases of men borne for time only as to their previous character being regarded as continuous in the absence of notation to the contrary.

12. In the event of a man misconducting himself while in hospital, a report is to be made by the Principal Medical Officer to the Captain of the ship or the Commandant of the division to which the man belongs.

13. All time during which a Supernumerary is borne for passage home, if entitled to pay, is to be shown on his Certificate, as well as his character.

14. The characters so recorded are, on these several occasions, to be read to the men by the Divisional or the Marine Officer, as the case may be.

15. Should the Captain give up command at a broken period of the Commission, exceeding three months from the commencement of the year, he is invariably to fill up and initial the men's Certificates; if within the three months, he is only to fill up and initial the Certificates of the men whose characters have undergone a change since the last record on their Certificates.

16. Whenever a Good Conduct Medal is awarded, suspended, forfeited, or restored, or any Decoration or other Medal granted, or a Good Conduct Badge is issued or forfeited, the particulars are to be noted on the Certificate, as well as in the Ledger and Service and Conduct Book.

17. The corner of the Certificate is only to be cut off on discharge and when the man's character has been so bad as to render his re-entry into the Navy undesirable; whenever the corner is cut off the fact is to be noted in the Ledger and in the Service and Conduct Book and a report is to be immediately made by the Commander-in-Chief in the form established for discharges with disgrace, which is to be adapted to the case.

18. On no account is any erasure or any alteration made to the past to be made on the Certificate except with the sanction of the Admiralty; if any error is committed which requires immediate correction, the correction is to be made, without erasure, under the authority of the Captain, and attested by his signature.

19. Certificates will be retained in the offices of the Command in which the men may be borne or serving, until they are finally discharged the Service; but when a man may require it, he is, on application to the Officer of his Division, to be furnished with a copy from the Office in the established form.

20. On the death or desertion of any person, a notation of the fact is to be made on the Certificate, which is to be transmitted into Office with the Monthly Return.

21. In all questions relative to a man's character the notices made upon his Parchment Certificate are to be considered as conclusive, unless the Certificate shall appear to have been tampered with; in such a case it shall be the duty of the Captain, on noticing it, to send immediately the particulars to the Admiralty for reference might be made to the Service and Conduct Book, or to other Records in Office, to clear up the matter, and, on the result being communicated, the man will note it upon the Certificate and attest it with his signature, and also make notations to the same in the Service and Conduct Book.

IV. GOOD CONDUCT MEDALS AND GRATUITIES, MARINES.

117. Royal Marines, as particularized in column G. of the Table in the Appendix VI., page 680, and whether ashore, may be recommended for the Good Conduct Medal and Gratuity, as well as Pensioners from the Service, but for Medal only, provided they return to the Service within five years of being pensioned. The same are made irrespective of the strength of the ranks of the Royal Marines, it being intended that when a Marine's own misconduct shall be a bar to obtaining these distinguishing marks of the approbation of the Admiralty, should he serve sufficiently long.

22. Ten years of continuous Very Good character shall entitle a Marine eligible for a Good Conduct Medal, and years of continuous Very Good character shall render him eligible for a Gratuity, provided he had never been awarded a character below Very Good, except for a period exceeding one year in his first five years reckoning for Pension.

23. After a Marine has been awarded seven years of continuous Very Good character as will, under the Regulations, count towards the Medal, the Captain or the Commandant will, if the Marine continues to be Very Good, and he considers him deserving thereof from a variable Very Good Conduct and Exemplary manner of performing his duties, add to the Very Good on his Certificate, whenever he is required to record the Marine's character, the words "Medal recommended," and after 12 years of such Very Good character,

the Captain or the Commandant will, in like manner, add the words "Gratuity recommended."

4. To entitle a Marine to the Medal—

a. He must have been recommended for it by his Captain or Commandant on his Certificate for three consecutive years;

b. He must be recommended for it by the Captain or Commandant under whom he is serving when he becomes eligible and has fulfilled the required conditions of service.

5. To entitle a Marine to the Gratuity—

a. He must have been awarded the Medal and have never forfeited it;

b. He must have been recommended for it on his Certificate for three consecutive years;

c. He must, until pensioned, have been always awarded a character above Good;

d. He must be recommended for it by the Captain or Commandant under whom he is serving when his Pension is applied for.

6. Whenever Exemplary is awarded it shall in all cases be understood as being equivalent to Very Good for Medal and Gratuity purposes.

7. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons in the Service and Conduct Book. In the case of Marines on shore, the Commandant will do so in the corresponding record at the Divisional Head Quarters.

8. The character given to a Marine in such portion of under-age service as does not reckon for Pension has no effect on his claim to a Medal and Gratuity.

9. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his Very Good character, provided he rejoins as soon as the state of his health will admit, and completes the required service.

10. Desertion, reduction to the Second Class for conduct, imprisonment, or the award of character less than Good during any portion of the time which reckons for Pension, shall render a Marine absolutely ineligible for the Medal or Gratuity, except as provided for in the following paragraphs 11 and 12.

11. In order not entirely to exclude from the honour of a Medal a Marine who may have committed himself in the early part of his service reckoning for Pension, but who may have since become a Very Good character, the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any Marine who can show 16 years of continuous Very Good character, notwithstanding anything he may have done or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.

12. The Admiralty will also consider the case of any Marine who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; in such cases, however, no Gratuity will be awarded.

13. Imprisonment by the Civil Power shall not prejudice a Marine's claim to the Medal or Gratuity unless it shall have been so directed by the Admiralty, if the Marine was serving at home, or, if abroad, by the Commander-in-Chief.

14. A Marine to whom a Medal has been awarded will be liable to be deprived of it summarily by warrant, under the hand of his Captain, for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or Officer in command of the Station, or by the Commandant of Royal Marines; the deprivation is always to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal is to be returned to the Accountant-General.

15. If a Non-commissioned Officer holding a Good Conduct Medal is reduced for misconduct he is to be absolutely deprived of his Medal.

16. The Good Conduct Medal of a Marine who had been deprived of it may, with the sanction of the Admiralty, be restored on the completion of his time for Pension, provided his character during the last five years of his service has been Very Good.

17. The infliction of any of the punishments specified in Clause 7, Article 723, page 7, a to f, after a Medal has been awarded, entails forfeiture of the Medal, except as provided for in the following Clause (18).

18. A Marine may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of the Captain or the Commandant to take away one Badge without depriving a Marine of his Medal.

If a Badge is taken away without loss of Medal, the Medal is not to be worn until the Badge is regained.

If the Badge is not regained within 12 months from the date of deprivation the Medal is absolutely forfeited.

If two or more Badges are taken away, and not one only, or if a Marine loses a second Badge, his Medal is absolutely forfeited.

19. Notations on Parchment Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

20. The scale for Gratuities shall be as follows:—

Non-commissioned Officers of Royal Marines in Class 1, Art. 1,147, having served as Staff-Sergeants and Sergeants of Royal Marines for not less than 10 years, and Marine Schoolmaster	£ 20
Sergeants of Royal Marines in Classes II., III., and IV., Art. 1,147, having served as such for not less than ten years	15
Corporals and Bombardiers of Royal Marines, having served as such for not less than seven years	10
Gunners, Privates, Musicians, and Buglers of Royal Marines	5

Gratuities will not be given to Marines who serve after being pensioned.

21. In case where the Marine recommended may not have served the full period to entitle him to the Gratuity applicable to his rank, he shall receive such lower rate, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award him.

22. Lists of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the established form, by the Commander-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, as soon as the Marines become eligible

for them; and when the approval of the Admiral been received, the Medals and Gratuities are to be sent before the Ship's company by the Captain of the Ship, and in the case of Marines on shore, by the Commandants on parade. A complete history of Badges, and the dates of award, deprivation, and restoration, be given on the Copies of Certificates sent into office.

23. It must be distinctly understood that Medals are only granted on the condition that the recipient continue to serve for Long-Service Pension, unless and that, in the event of a Marine who has been granted a Medal declining to go on serving to completion, he shall surrender the Medal on his departure, unless he has completed 15 years of service for Pension, in which case he may retain it.

24. If it is desired that Marines who have not been granted Medals should also be given Gratuities, separate notation must be made for the latter on their Long-Service Certificates for Pension.

25. In the case of a man who has joined the Army from the Army, the general character given to him on his discharge will be taken as his character for the whole of his Army service, subject, however, to the rule as to 10 consecutive years of Very Good or better character.

26. If, pending the presentation of the Medal, the Marine's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

27. In the case of Marines in the Service of the Admiralty, time served before that date, with reference to character, will be allowed to reckon for the Gratuity, provided their conduct has been such as to render them deserving of being considered for it under these Regulations.

28. Between the 1st July 1876 and 30th June 1877, Exemplary Character only will entitle a Marine to a Medal and Gratuity and not Very Good.

MARINES' CERTIFICATES.

With reference to Art. 1,135, Marines' Orders are to be filled up in accordance with the amended Regulations, in so far as its provisions can be made applicable to them.

Admiralty, 19th March 1869.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to admit of their being worn,—and for granting Clasps and Bars for subsequent acts of bravery, in cases

To all Commanders-in-chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

These are issued by the Secretary of State for the Colonies, for the information of Officers wishing to retire from Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer that class of settlers in the acquisition of land.

Colonies which offer Privileges.
Colonies which now offer land privileges to Military Officers are British Columbia and

Officers entitled to Privileges.
To whom such privileges are offered are: (a) Officers of the Military Branch, of all grades from that of Sub-Lieutenants; Military grades not lower than that of Subalterns standing; (c) Regimental staff Officers; (d) Officers of both Services, of not less than seven years' standing.

Officers not entitled to Privileges.
Officers not entitled to land privileges are, Naval Officers (Captains); Commissariat Officers; Sub-Lieutenants; Medical Officers; Officers of less than seven years' standing; Midshipmen; Cadets; Officers of every description; Officers of any branch of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to be in Her Majesty's Service, and have not obtained a Memorandum of Rank and Service from the Governor.

Nature and Extent of Privileges.
In British Columbia a certain quantity of land is granted in remission of purchase money. In the other named Colonies, land must be purchased at the same rate as the regulations for the time being in force in the Colonies, and a certain amount of the purchase money is remitted. These allowances are regulated by the Secretary of State, and are shown in the following Table, viz:—

	Acres.
Of 25 years' service, in the whole	600
Of 20 years' service, in the whole	500
Of 15 years' service, in the whole	400
Of 10 years' service and upwards, in the whole	400
Of 5 years' service or less, in the whole	300
Of 25 years' service, and upwards, in the whole	300
Of 20 years' service and upwards, in the whole	300
Of 15 years' service and upwards, in the whole	300

When a remission of purchase money is allowed, the amount of land according to the following Table, viz:—

	Acres.
Of 25 years' service and upwards, in the whole	600
Of 20 years' service, in the whole	500
Of 15 years' service, in the whole	400
Of 10 years' service and upwards, in the whole	400
Of 5 years' service or less, in the whole	300
Of 25 years' service and upwards, in the whole	300
Of 20 years' service and upwards, in the whole	300
Of 15 years' service and upwards, in the whole	300

Officers receive allowances corresponding with the rank to which they are entitled in the army as prescribed in the Order in Council of 11th June, 1863.

Memorandum of Rank and Service.
Officers desirous of availing themselves of these privileges must obtain a Memorandum, if a Naval man,

from the Lords Commissioners of the Admiralty, and if a Military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage *bona fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bona fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelve-month from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.

THE NAVY LIST ADVERTISER.

October 1881.

THE NAVAL BRIGADE IN SOUTH AFRICA DURING THE YEARS 1877-78-79.

BY FLEET-SURGEON HENRY F. NORBURY, C.B., R.N.

Cr. 8vo. cloth ex. Price 10s. 6d.

"The author has written a good book, and we trust it may have the success it merits."—*Saturday Review*.

"The author proves himself to be a man of keen observation. He introduces his readers to the Kafir Tribes in a manner which will at once attract attention, and make many half fancy that they must have lived for years among them. Having fully exhausted the subject of the Kafir Wars, he gives a graphic account of the operations of the Naval Brigade against the Boers. There is a great deal of instructive information to be found in this book."—*Army and Navy Gazette*.

"A story which is told with commendable conciseness, and when necessary with a painstaking verification of details."—*The World*.

"This book will be read with interest even by those who have already gone through a good deal of the too-voluminous war literature. The author writes with freshness and simplicity."—*The Graphic*.

The UNION ASSURANCE SOCIETY has now been in existence for upwards of Hundred and Sixty Years.

The Invested Funds of the Company exceed ONE MILLION AND A HALF STERLING which, in conjunction with the guarantee of an influential and wealthy Proprietary, enable the Company to offer to intending Assurers the most absolute security.

FIRE DEPARTMENT.

The Directors are ready to receive Proposals for insuring Property generally, in Great Britain and Ireland, at equitable Rates, and according to the risk to be protected.

LIFE DEPARTMENT.

Four-fifths of the Office Profits are appropriated to the benefit of the Assured every year, thus giving them nearly all the advantages of a Mutual Company, but without any liability whatever.

During the last thirty years the BONUS has averaged

One Pound Ten Shillings per Cent. per Annum on the Sum Assured

The Bonus can either be applied in increasing the Sum Assured, in reducing the Annual Premium, or its present value can be received in Cash.

Where the Bonus has been applied to reduce the Annual Premiums, considerable reductions have been made; and in many instances the present with the past Bonus additions will completely extinguish all future Premiums payable under the Policy.

Officers in the Royal Navy or in H.M. Marine Forces can insure by uniform Premiums, not subject to increase on their being ordered abroad or residing whilst in of these Services in any part of the world.

The following are the Whole-world Rates for an Assurance of 100*l.* on the life of an Officer, exclusive, however, of the risk incurred in actual warfare.

NOTE.—No Appointments made after the 20th of the Month preceding publication can be inserted in the body of the **NAVY LIST** until the following List is published. A list of the Appointments &c., which have taken place between the 20th and the 23rd ultimo inclusive will be found at page 318.

The EDITOR of the Navy List will be glad to receive communications in reference to errors in the List, addressed to him at the ADMIRALTY, WHITEHALL, LONDON.
